

# Baptism @ HTS

In order for us to baptise you or your child one of following should apply:

- ♥ One of the parents of the child is on the electoral roll
- ♥ One of the parents has at any time lived in this parish for at least 6 months, or has regularly gone to worship activities organised by this parish church for at least 6 months. To check the parish boundaries, please go to <https://www.achurchnearyou.com/parishmap.php>
- ♥ One of the parents was baptised in this parish
- ♥ One of the parents was prepared for confirmation in this parish
- ♥ Parents or grandparents were married in this parish.

You need to fulfil just one of the criteria outlined here. However at least one of the parents of the child to be baptised must have been baptised themselves. Adult baptism may be arranged at an appropriate stage. However preparation for this will take longer than is normally the case for a child's baptism where one of the parents is already baptised.
